18	FT2001 solid wood speaker	BH-BS-BT18	1. Bluetooth version: V4.2 2. Product material: solid wood + ABS plastic 3. Battery capacity: 5V/1200MAH 4. Output power: DCSV, output power 5W Impedance: 4 OHM Frequency response range: 20Hz - 18KHz SNR: ≥85dB Distortion: ≤0.3%. Play time: about 5-8 hours (depending on the volume) 4. Play time: continuous play time: 6 hours 6. Charging time: 2-3 hours, standby 12 hours	Bluetooth function: can be connected to a computer (notebook or desktop computer plus Bluetooth adapter), mobile phone, effective distance 10 meters Bluetooth is connected to the mobile phone, and the speaker can answer/call the phone; Fully connect your (via Bluetooth or audio cable): Bluetooth devices such as mobile phones, laptops, MP3, MP4, desktop computers Playable file types: MP3, WMA, WAV		Red wood grain, black wood grain, wood grain	US\$3.99	500pcs	product size: 9.5*6*7cm		15-20days
19	The wireless sensor speaker amplifier 316	BH-BU-BT19	1. Product material: ABS matte 2. Battery capacity: 600mah 3. Output power: speaker output power: 5W Signal to noise ratio: 80dB Sensitivity: (induced voltage) 40mv Channel: 1 channel Distortion: <3% Maximum volume: 93db 3% 4. Play time: continuous play time: 6 hours 5. Input power: DC 5V/500mA Power plug specifications: MICRO USB 6. Special features: bracket + audio	The wireless sensor speaker amplifier uses electromagnetic induction to amplify, no need for Bluetooth, no connection, no need for plug-in or WIFI. Simply place your phone or tablet on the speaker to magically magnify the sound. Easily play music videos anytime, anywhere 1. lazy bracket 2. long standby 3. no radiation to the human body 4. no need to plug in; no need to connect to Bluetooth 5. large magnetic induction sensitive mobile phone or other when the speaker is in the boot mode		Red, green, blue, black	US\$4.62	500pcs	Product Size: 122*100*100 (mm) color box size: 155*112*125 (mm)	Carton size: 59*33*66CM QTY/CTN: 50 pcs weight: 365g Net weight: 18.5KG G weight: 19.5KG	15-20days
20	Plug-in beauty speaker T3	BH-BU-BT20	1. Product interface: 3.5mm headphone jack (audio interface) 2. Product material: ABS+6 LED lamp beads 3. Battery capacity: 350mAh Exposure control 6-speed brightness adjustment, cold and warm color 4. Output power: Speaker specification: 32mm Speaker power: 3W Signal to analog ratio: 90dB 5. Play time: about 6 hours 6. Charging time: about 1 hour 7. Special function: AUX plug + audio +	1. plug and play, the battery is durable (do not consume the phone's own power when using) 2. suitable for mobile phone models, as long as you have a 3.5mm audio phone interface can be used 3. with beauty, beauty, fill light effect, anytime, anywhere 4. heavy bass stereo speakers, to meet outdoor activities, listen to music, watch movies, etc. in various occasions in the city 5. small size, easy to carry. 6. beautiful design		Mint green, fresh white, rose gold, black, sky blue, pink	US\$3.55	500pcs	Product Size : 36mm*45mm Product Weight : 45G		15-20days
21	Colorful LED light Bluetooth SpeakerKB168	BH-BS-BT21	1. Bluetooth version: V4.2 2. Product material: solid wood + ABS plastic 3. Battery capacity: 5V/300MAH 4. Output power: DCSV, power: 3W Impedance: 4 OHM Frequency response range: 20Hz - 18KHz SNR: ≥85dB Distortion: ≤0.5%. Play time: about 5-8 hours (depending on the volume) 4. Play time: continuous play time: 2-3 hours 6. Charging time: 1 hour 7. Special features: USB powered ++ wireless Bluetooth + lanyard + colorful	Support Bluetooth side to play music Support two Bluetooth couplets to play music Colorful light breathing light change		Meteorite black, deep sea blue, agate red	US\$3.85	500pcs	Product Size : 46*46*45.8MM packing size : 69*55*70mm 98g	Carton size: 35.5*29*29.5CM 100PCS/ctns G weight: 11KG	15-20days
22	FT-BT00 Mini Speaker	BH-BS-BT22	1. Bluetooth version: V4.1 2. Product material: ABS 3. Battery capacity: 5V/600Mah 4. Output power: 5W 5. Speaker size: 1.5 inches 3 frequency effect: 20HZ-18KHZ 4 SNR: ≥75dB 5 distortion: ≤0.5% 6. Play time: 2-3 hours 6. Charging time: 1-2 hours, standby 12 hours 7. Special features: (Bluetooth + call + TF card + AUX + FM)	1. Compact and portable, also compatible with other modeling sounds, such as resin series 2. Bluetooth wireless transmission, support hands-free calling 3. Support TF card auto play function 4. Support audio output, can connect computer, mobile phone, MP3 and other audio interfaces 5. Small body drive, large capacity, high-pitched and powerful		Grey	US\$3.85	500pcs	product size: 6*5*4cm		15-20days
23	复古唱片机 蓝牙音响 Name : T10	BH-BS-BT23	1. Bluetooth version: V5.0 2. Product material: ABS plastic + plating 3. Battery capacity: 5V/500MAH 4. Output power: DCSV, power: 3W Speaker diameter: 40mm Frequency response range: 20HZ-16KHz SNR: ≥85dB Distortion: ≤0.5% 5. Play time: about 5-8 hours (depending on the volume). 6.6. Charging time: 2 hours 7. Standby time: 200 hours 8. Features: MICRO charging + Bluetooth	Built-in Bluetooth wireless transmission, mobile phone Bluetooth playback. Support for playing MP3 songs stored in TF card. Support FM automatic search. Support for recyclable charging. Supports all audio inputs for external 3.5mm terminals.		Blue, black, red, green	US\$7.39	500pcs	4 product size: 76mm*61mm*38mm 5. weight with packing : 208g product weight : 133g packing size : 9.4*9.4*4.4cm	size: 49.5*21*24*5CM, 50PCS/ctns	15-20days
24	T210复古TV音响	BH-BS-BT24 Name : T210	1. Bluetooth version: V4.1 2. Product material: ABS plastic + oil painting 3. Battery capacity: 5V/800MAH 4. Output power: DCSV, power: 5W Frequency response range: 20HZ-16KHz SNR: ≥85dB Distortion: ≤0.5% 5. Play time: about 5-8 hours (depending on the volume). 6.6. Charging time: 2 hours 7. Standby time: 200 hours 8. Features: Bluetooth + call + TF card +	Built-in Bluetooth wireless transmission, mobile phone Bluetooth playback. Support for playing MP3 songs stored in TF card.
