SVC1016

Vacuum Cleaner

Strong | Light | Convenient

Strong Suction Power

Picking up all dirt, dust and crumbs from every corner of your home.

MAX POWER
400W

Stainless Steel filter and high PU sponge filter provides additional layers of filtration before the air is expelled back into the surroundings

Dust and dirt are separated from the air inside the canister

Pro-cyclone system pushes dirt and dust away from the outlet so suction power is maintained even if canister is filled

Tackle Any Mess Anywhere
