

# Magnetic Wireless Charger

Automatic adsorption fast charging

Accurate positioning is faster

Designed for the iphone 12 series

The built-in magnet is charged at a touch

An iPhone 12 is held by a hand against a black background. The phone's screen is on, displaying the text 'iPhone12' and 'Magnetic Wireless Charger'. A large, semi-transparent circular graphic with concentric teal rings is centered on the screen, with a white cable extending from its bottom edge.

# iPhone12

Magnetic Wireless Charger

---

# Nine safety precautions

Built-in smart chip, fast and safe charging

Overcurrent  
protection

Overvoltage  
protection

Over-temperature  
protection

Short-circuit  
protection

Over-power  
protection

Low-voltage  
protection

Over-charge  
protection

Foreign object  
detection

Electromagnetic  
field protection

# 15W

High power

Automatic magnetic  
fast charging

Speed up 100%

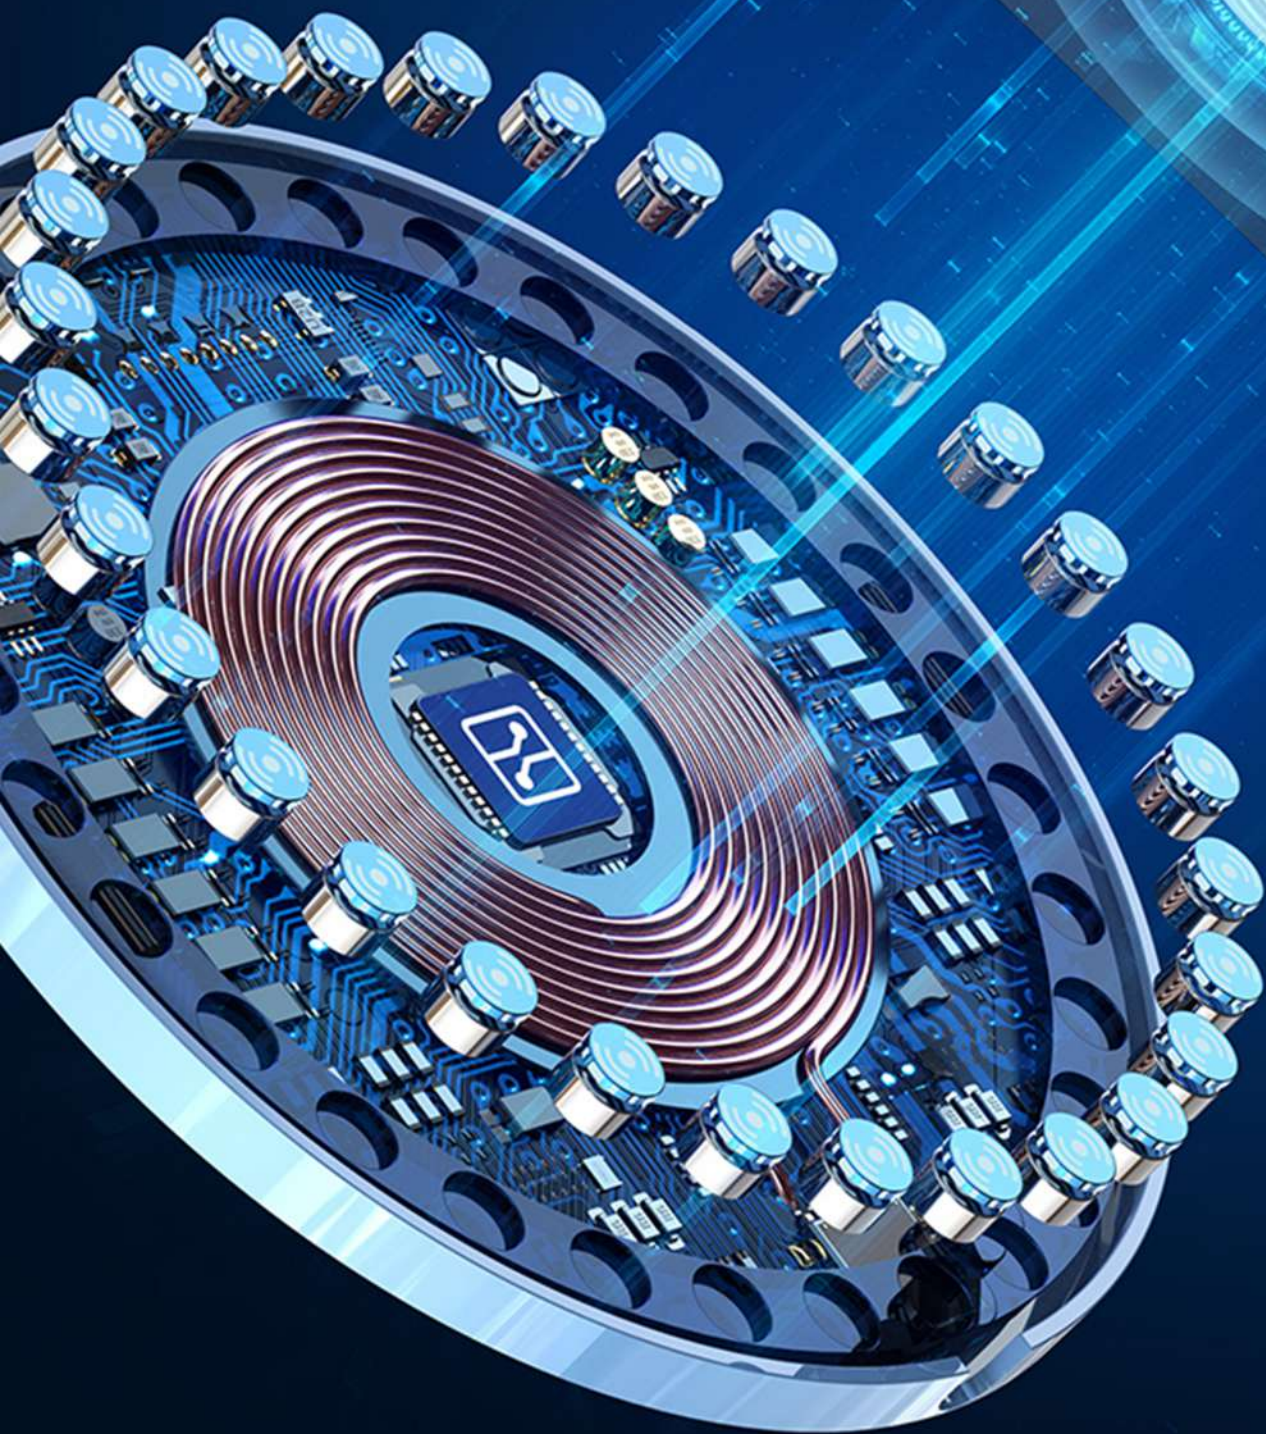

Not hot

Upgrade material

High charging efficiency

A perfect match for the IPHONE 12

# Automatic adsorption positioning

Super magnetic force, enhance coil alignment,  
improve charging efficiency

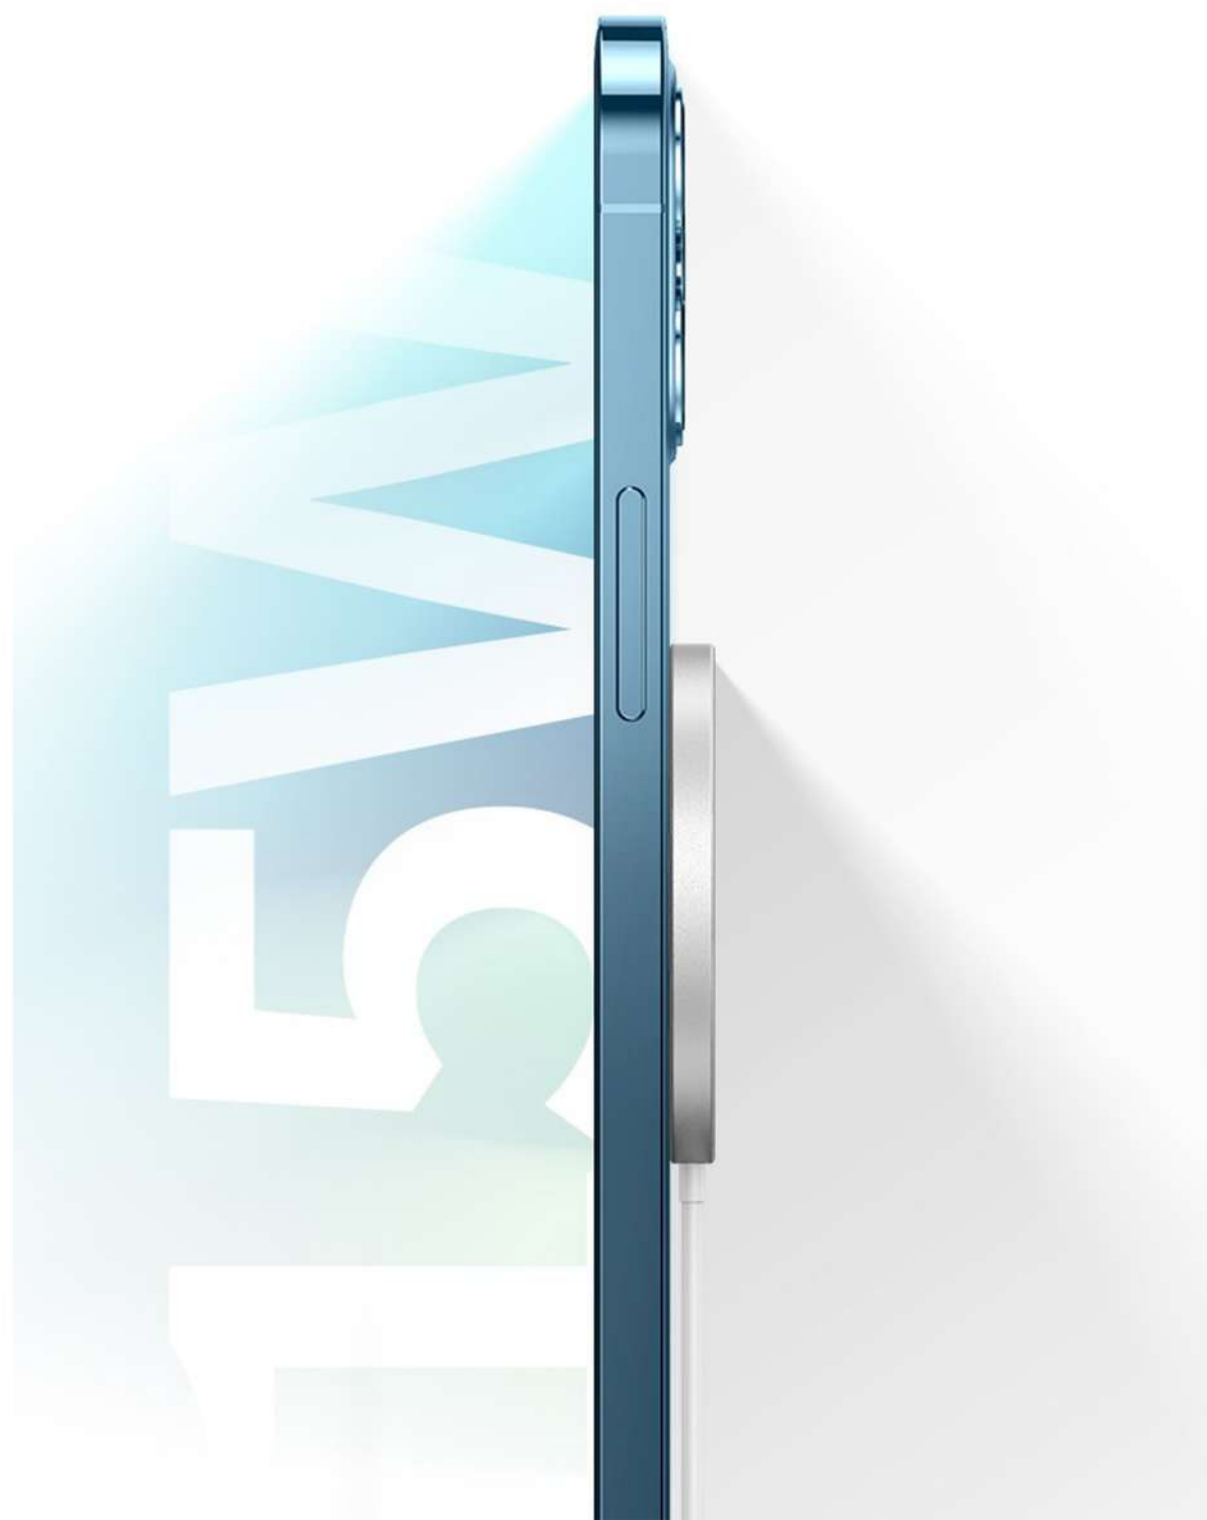

**NEW STYLE**

# Ultrathin model

The pinnacle of technology and fashion

Small size with high power

Light and convenient

# Super suction and no drop

When the charger is close to the phone, it will automatically absorb a quick charge, and the magnetic force can support the weight of mobile phone.

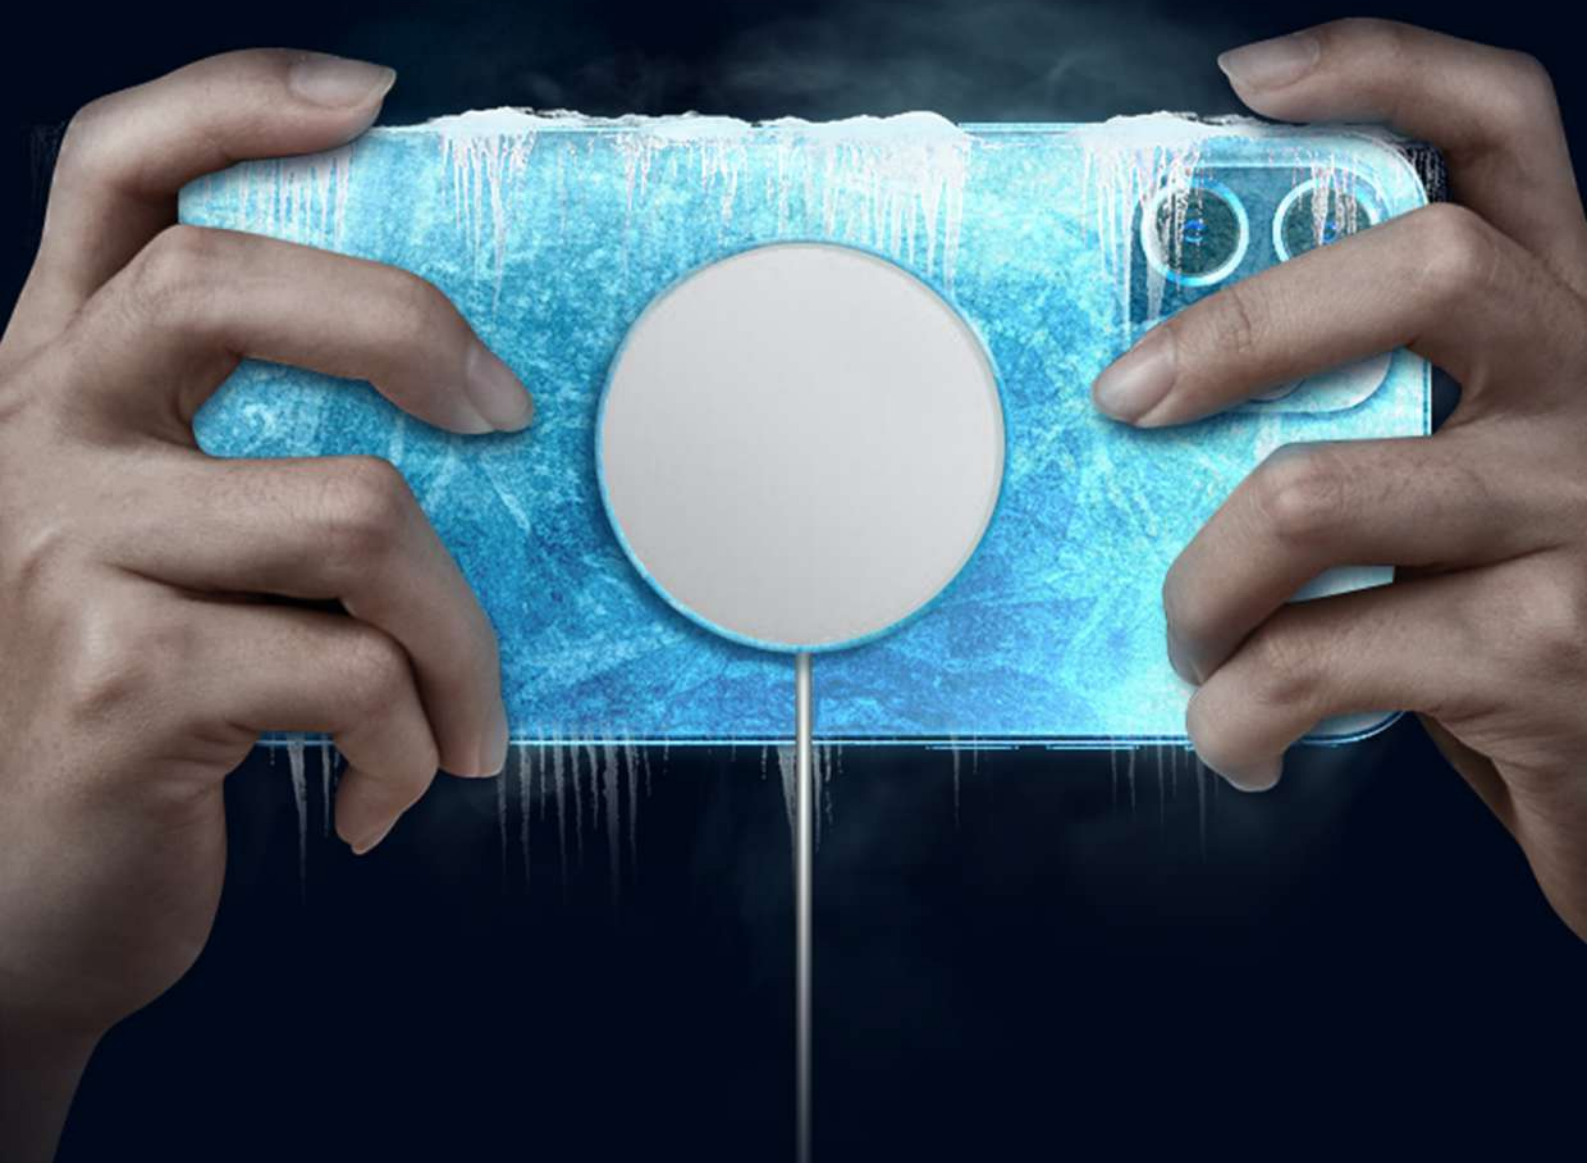

Even with a phone case  
Also can charge it.

Magnetic induction absorption  
Even through the case, it does  
not affect the charging.

**Play game without getting stuck**

**Barrier-free, and with a low temperature**

USB-C output port,  
fast charge and speed up

Widely compatibal

---

## Intelligent Inditfiction And Widely Compatible

Compitable with smartphones that supports  
the Qi wireless charging standard.

# Product Parameter

---

---

Model: Smark 1116

Color: White

Input: 5V3A 9V/2.22A

Output: 5W/7.5W/10W/15W

Product size: 5.8 CM in diameter

Charging distance:  $\leq 6\text{mm}$

Charging frequency: 110-205Khz

Port: USB-C

Product certification: CE/FCC/ROHS
