## DOCKING STATION

### Cloud-on Type-C Docking Station

HDMI ultra-high definition video output.  
Retractable USB-C plug, compatible  
with most USB-C interface phones.

Model No.: RCB0652

Material: ABS+Al-alloy

Weight: 300g

Size: 194\*66\*23.8mm

Compatible Device Width : 70mm ~ 89.5mm

● Black

Multifunctional Type-C Docking Station

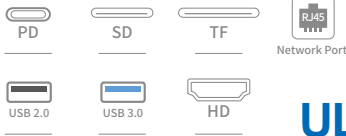

The highest resolution is 3840X2160P/30HZ  
(It needs screen compatibility)  
USB3.0A/F supports the max current 0.9A  
supports up to 5Gbps speed  
It is compatible with USB2.0 / 1.1  
Complies with USB-C interface standard  
USB-C / F support the BC1.2&PD charge  
Built-in conversion chip, plug and play

● Space Gray

Type-C to HD Multi-function Docking Station

Type-C port supports PD fast charge with power up to 100W;  
3.5mm jack supports audio output;  
Support TF/SD card data reading;  
The card slot of stand supports flat placing of phones  
and tablets, turning them into PC;  
Built-in chip, plug and play.  
HDMI&VGA ultra-high definition video output,  
experience cinema-quality audio-visual feast;
