QUOTATION

ITEM NO.	DESCRIPTION	PRODUCT IMAGE	UNIT PRICE FOB SZ(USD)	MOQ (pcs)
2019 LATEST MECHANICAL KEYBOARD				
GM887	87 Keys Mechanical Keyboard *Wired or Bluetooth & Wired dual mode optional Size: (L) 359.3"(W)131.3"(H)35.7mm *Double color injection Keycap *Outemu replaceable blue /red /brown switch *16.8 Million colors RGB backlight *USB hub port *1 *1.8 m braided type C cable *N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/7/10 or Vista		Pending	1000
GM901	Natural Ergonomic Mechanical Keyboard *Size: (L) 487.2"(W)239.4" (H)59mm *Double color injection Keycap *Outemu replaceable blue /red /brown switch *16.8 Million colors RGB backlight * 1.8 Meter braided cable with golden USB connector * USB hub port *1 * Multi-media keys (Control brightness and volume) *N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/7/10 or Vista		US\$34.00	1000
GM810A	Mechanical keyboard with side LED light (Outemu replaceable blue /red /brown switch) *Size: L444.5"W142"H35.5mm *Double color injection Keycap ,ABS material *Outemu replaceable switches (BLUE/RED /BROWN) *16.8 Million colors RGB backlight * Multi-media keys (Control brightness and volume) *N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista		US\$23.50	1000
GM810B	Mechanical Keyboard With Edge LED light *Size: L444.5"W142"H35.5mm *Double color injection Keycap , ABS material *Jixian optical switch *16.8 Million colors RGB backlight * Multi-media keys (Control brightness and volume) *N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista		US\$21.00	1000
GM810C	Mechanical Keyboard With Edge LED light *Size: (L)445.2"(W)142.6"(H)35.5mm *Double color injection Keycap *Jixian optical switch * Aluminum top plate *16.8 Million colors RGB backlight *N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/7/10 or Vista		US\$19.00	1000
GM862	61keys TKL RGB Mechanical Keyboard *Wired or Bluetooth & Wired dual mode optional * Size :L293.5" W103.5" H43.5mm * Double injection keycap *16.8 Million colors RGB backlight *Outemu replaceable (BLUE/RED /BROWN) *N- key rollover *1.8 m braided type C cable *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista		1. With PBT keycaps: USD25.00 2. With ABS keycaps: USD23.00	1000

GM868A	87 keys TKL RGB mechanical keyboard with USB hub * Size : L340.2*W108.2* H35.2mm *Weight : * Double injection keycap * Painted surface *16.8 Million colors RGB backlight *Outemu replaceable switches (BLUE/RED /BROWN) *With multimedia keys (control brightness and volume) *N- key rollover *1.8 m braided type C cable *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista		US\$26.00	1000
GM868B	68 keys TKL RGB mechanical keyboard *Wired or Bluetooth & Wired dual mode optional * Size : L340.2*W108.2* H35.2mm * Double injection keycap *16.8 Million colors RGB backlight *Switch: Outemu replaceable switches (BLUE/RED /BROWN) *With multimedia keys (control brightness and volume) *N- key rollover *1.8 m braided type C cable *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/7/10 or Vista			1000
GM868C	68 Keys TKL RGB Mechanical Keyboard *Wired or Bluetooth & Wired dual mode optional * Size : L340.2*W108.2* H35.2mm * Double injection keycap *16.8 Million colors RGB backlight *Outemu replaceable switches (BLUE/RED /BROWN) *With multimedia keys (control brightness and volume) *N- key rollover *1.8 m braided type C cable *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/7/10 or Vista		US\$25.50	1000
GM807	87 Keys / 88 Keys TKL RGB Mechanical Keyboard *Wired or Bluetooth & Wired dual mode optional * Size : (L) 362*(W)134*(H)34.7mm ±0.5mm * Double injection keycap *16.8 Million colors RGB backlight *Switch: Outemu replaceable (BLUE/RED /BROWN) *With multimedia keys (control brightness and volume) *N- key rollover *USB HUB port *1 ,with Blue LED *1.8 m braided type C cable *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/7/10 or Vista	 	1.Outemu hot swap switch: USD23.5 /PC 2.Bluetooth +Kailh Box white switch : USD41.00 /PC 3. Painted removeable top cover: USD1.2/PC 4. Rainbow keycaps: USD1.75/set	1000
GM807A	87keys Low Profile TKL RGB Mechanical Keyboard * Size : (L)351.5*(W)133*(H)31mm±0.5mm * Double injection keycap * Aluminum top plate *16.8 Million colors RGB backlight *Low profile outemu replaceable switches (BLUE/RED /BROWN) *N- key rollover *1.8 m braided type C cable *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista		US\$21.50	1000
GM861	61 Keys Multi-devices Bluetooth Keyboard *Wired or Bluetooth & Wired dual mode optional *Dimensions : (L) 299.6*(W)142.6*(H)34mm ±0.5mm * Outemu blue (hot-swap) *1.8 M type C cable * USB hub port *1 *16.8 Million colors RGB backlight *Double injection keycap *Built in Lithium battery (2000mA) * One USB pass-through *N- key rollover *Compatible with Windows 8/ 7/10 or Vista	  	US\$25.80	1000
GM221	96 Keys Mechanical Keyboard *Wired or Bluetooth & Wired dual mode optional *Dimensions: 383mm(L)*136*40mm ±0.3mm *Double color injection Keycap * Metal & plastic body , ABS double injection keycap *16.8 Million colors RGB backlight *1.8 M braided cable, golden USB connector * Bottom has extra key cap puller and FN key * Injection replaceable plastic magnetic cover included (white,black ,red optional) * N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista	 	Wired: 1.Gateron yellow switch USD29.6 2.Outemu switch USD22.8 Bluetooth : Outemu switch USD28.00	1000

GM221A	<ul style="list-style-type: none"> 96 Keys Mechanical Keyboard *Dimensions: 383(L)*136(W)*40mm(H) ±0.3mm *Aluminum & plastic body , ABS double injection keycap *Double color injection Keycap *16.8 Million colors RGB backlight *1.8 M braided cable ,golden USB connector * Bottom has extra key cap puller and FN key * N-key Rollover *Come with professional software to DIY backlight and set macros *Compatible with Windows 8/ 7/10 or Vista 		US\$24.50	1000
Mechanical Keyboard				
GM219	<ul style="list-style-type: none"> •GM219 Gaming Mechanical Keyboard with single color LED • Dimensions :450.8mm(L)*143mm(W) *43mm(H) •Product weight :885g •104 Keys • Aluminum & plastic body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •LK blue optical switch ,80 million keystroke life span , replaceable ,waterproof & dustproof ,IPX68 •Anti-ghost key :all keys •Compatible with Windows 8/ 7/10 or Vista 		US\$25.60	1000
GM217	<ul style="list-style-type: none"> •GM217 Gaming Mechanical Keyboard with rainbow LED • Dimensions :440mm(L)*158.5mm(W)*41.5mm(H) •Product weight :980g •104 Keys • Aluminum & plastic body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •Jixian blue optical switch ,80 million keystroke life span , replaceable ,waterproof & dustproof ,IPX68 •Anti-ghost key :all keys • Basic 13 LED effects •Compatible with Windows 8/ 7/10 or Vista 		US\$22.50	1000
GM213	<ul style="list-style-type: none"> •GM213 Gaming Mechanical Keyboard with RGB LED • Dimensions :436.6mm(L)*134.0mm(W)*42.8mm(H) •Product weight :910g •104 Keys • Aluminum body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •Outemu switch ,50 million keystroke life span •Anti-ghost key :all keys •Compatible with Windows 8/ 7/10 or Vista 		US\$22.50	1000
GM212	<ul style="list-style-type: none"> •GM212 Gaming Mechanical Keyboard with RGB LED • Dimensions :436.3mm(L)*139.2mm(W)*43mm(H) •Product weight :940g •104 Keys • Aluminum & plastic body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •Outemu switch ,50 million keystroke life span •Anti-ghost key :all keys •Compatible with Windows 8/ 7/10 or Vista 		US\$22.50	1000
GM211	<ul style="list-style-type: none"> •GM211 Gaming Mechanical Keyboard with single LED backlit • Dimensions :436.3mm(L)*134.6mm(W)*41.5mm(H) •Product weight :1130g •104 Keys • Metal body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •Outemu switch ,50 million keystroke life span , replaceable ,dust-proof •Anti-ghost key :all keys •Available for RGB LED backlit ,add 4.0 USD only •Compatible with Windows 8/ 7/10 or Vista 		US\$18.00	1000
GM201	<ul style="list-style-type: none"> •GM201 Gaming Mechanical Keyboard with multi-color LED • Dimensions :454.24mm(L)*169.28mm(W)*38.88mm(H) •Product weight :1020g •104 Keys • Aluminum & plastic body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •Outemu switch ,50 million keystroke life span , dustproof and replaceable •Anti-ghost key :all keys •Compatible with Windows 8/ 7/10 or Vista 		US\$19.50	1000
GM207	<ul style="list-style-type: none"> •GM207 Gaming Mechanical Keyboard with multi-color LED • Dimensions :356.9mm(L)*136.4mm(W)*35.8mm(H) •Product weight :955g •87 Keys • Aluminum & plastic body , ABS double injection keycap •1.8m braided cable ,with golden USB connector •Outemu switch ,50 million keystroke life span •Anti-ghost key :all keys •Compatible with Windows 8/ 7/10 or Vista 		US\$14.30	1000
Flaretech Optical Switch Keyboard				

GM801	<ul style="list-style-type: none"> •GM801 Gaming Mechanical Keyboard with RGB LED backlit • Dimensions :460.8mm(L)*193.7(W)*43.5mm(H) •Product weight :1395g •104 Keys • Plastic & metal body, ABS double injection keycap •1.8m braided cable ,with golden USB connector •Flaretech blue/red optical switch ,100 million keystroke life span , replaceable , waterproof & dustproof, IPX68 •Anti-ghost key :all keys •Compatible with Windows 8/ 7/10 or Vista 		US\$52.00	1000
