1	MagSafe Pro	A white, square-shaped wireless charger with rounded corners and a silver-colored magnetic ring in the center.
2	X16	A dark blue wireless charger with a silver-colored magnetic ring. A white iPhone is shown on the left, displaying a green battery icon with a lightning bolt, indicating it is charging. A white cable is plugged into the bottom of the charger.

3	S9	 <p>A diagram illustrating the S9 wireless charging system. It shows two blue smartphones. The left phone is upright and displays a green circular charging icon on its screen. The right phone is lying flat and shows a grid of blue dots representing the charging coils. Blue concentric circles between the phones indicate the magnetic field for wireless power transfer.</p>
4	WX01	 <p>A photograph of the WX01 wireless charging dock. The dock is white and has a multi-tiered design. On the top tier, a gold Apple Watch is being charged. The middle tier holds a white iPhone upright, displaying a green battery icon. The bottom tier holds a black iPhone lying flat. A white AirPods case is also visible on the left side of the dock.</p>
5	X18	 <p>A photograph of the X18 wireless charging dock. The dock is black and features a tiered design. On the top tier, a black iPhone is upright, showing a green battery icon. The middle tier holds a white AirPods case. The bottom tier holds a black Nintendo Switch dock. A black circular charging pad with a glowing orange lightning bolt icon is positioned behind the iPhone.</p>
