# Manufacturing Liquid Silicone And Leather Cases Since 2013

Tooling in house | 100% full inspection | OEM/ODM service

**KALILAI** established in 2013, is one of the leading Liquid silicone and leather case manufacturer in China. With 500 workers, 10 production lines, 80 top-notch machines, 10000-square-meter workshop, specializing in design and manufacture of mobile phone cases for over 6 years, daily output can reach 50kpcs. Main products including Liquid silicone case, Wrapping leather case, Laminated leather case and Embroidery case for all sorts of mobile phones, especially iPhone, Samsung and Huawei models.

## Company

### Introduction

## Why Choose Us

### ➤ **Handling All Processes In-house**

We handle mold design and production, injection, die-cutting, silicone compressing ,leather and microfiber sticking, polishing ,assembling, packing to ensure the excellent completion of your orders. So we can provide OEM and ODM services to meet all your customized requirements.

### ➤ **Large Production Capacity to Complete Your Needs**

With 500 workers , 10 production lines ,80 top-notch machines in our 10000-square-meter factory, we can produce 1.5million cases every month to satisfy your bulk orders.

### ➤ **15 Injection Machines , 48 Silicone Compressing and 10 CNC Machines**

Our factory is equipped with advanced equipment including 15 injection machines,48 silicone compressing and 10 CNC machines. Meanwhile, our R&D department consists of more than 10 members with rich experience, proficient in various kinds of technological process to provide variety of solutions. We invest 20% of annual sales in R&D every year, and release 5 new designs monthly to update your selection.

### ➤ **High Quality is Guaranteed**

To ensure every unit you receive is defect-free, we assign 15 QC technicians with 10 years' experience on each production line. They conduct 7 times 100% full inspection processes to ensure quality. Moreover, all of our products have passed RoHS and SGS tests.
